3. I have examined the above-mentioned agreements and came to the following conclusions:

- a. As used herein, the term "patent" or "patents" means all issued patents and pending patent applications, in every country throughout the world which was owned by the company EGS, S.A., Chatellerault, France as of the date of the below-mentioned public auction, July 11, 2000.
- b. On the basis of a ruling by the bankruptcy judge before the Commercial Court of Poitiers dated March 13, 2000, the judge has ordered to carry out a public auction of the totality of the constituents of saleable assets resulting from the legal liquidation of the company EGS at Chatellerault. The public auction has taken place in Chatellerault, France, on July 11, 2000.
- c. Pursuant to a decision ordered by the Tribunal de Grande Instance of Chatellerault of July 11, 2000, the company Shimano Inc., Osaka, Japan, 3-77 Oimatsu cho, has purchased all patents of the company EGS. Shimano Inc. has paid the purchase price of 1,790,250 French Francs by swift transfer to the account of the notary public. The notary public has confirmed to have received the purchase price and has carried out the transfer to Shimano Inc.

- h. According to my assessment and on the basis of the documents listed above, the company EGS was the legally entitled owner of the above mentioned Patent/Patent application at the date of public auction on July 11, 2000.
- i. With assignment agreement between Franck Savard (assignor) and Christian Gauthier (assignee) dated June 12, 1998, Franck Savard stated to be the sole owner of the mentioned patents. According to Article 1 of this agreement, Franck Savard has assigned 50% of his patent rights to Christian Gauthier.
- j. date of the action on July 11, 2000.

1. To be noted that it appeared that Monsieur Patrick Savard, who is Monsieur Franck Savard's brother, claimed some co-ownership rights to the above-mentioned patents. Cher Maître

Votre courrier du 18 mai 2001, reçu le 23 mai, a retenu toute mon attention ; je suis même surpris de ne le recevoir que maintenant ! ...

Vous trouverez ci dessous un relevé d'identité bancaire sur lequel je vous demande de faire virer par votre client SHIMANO la somme de 2 000 000 (deux millions) d'Euros.
Un document réciproque de renonciation de toute action en justice sera signé concomitamment entre les parties.

Dés ce virement parvenu sur ce compte, je m'engage à signer tous documents nécessaires à la pérennité de mes inventions et à la meilleure exploitation commerciale par la société SHIMANO de mes dites inventions, particulièrement stratégiques quant à l'avenir du vélo.

Comprenez bien qu'avec la liquidation d'EGS dû aux conséquences de son P.D.G Christian GAUTHIER, j'aie aujourd'hui tout perdu et donc n'ayant plus rien à perdre je ne suis sensible à aucune menace.

Certain que vous préférerez un bon arrangement à un mauvais long procès ; qui de plus, est loin d'être perdu d'avance pour moi vu la somme de documents pertinents dont je dispose, et qui attestent de ma bonne foi sur le fond de cette histoire ou je n'ai péchée par naïveté que sur la forme nécessaire à la protection de mes intérêts.

Ouvert à tout dialogue sérieux, je vous prie d'agréer cher Maître mes respectueuses salutations.

Dear Sir,

Your letter of 18 May 2001, received on 23 May, has received my whole attention; I am even surprised to receive it only now ! ...

You will find below relevant data on a bank account to which I ask that you have your client Shimano transfer the amount of 2 000 000 (two million) Euros. A mutual document for renouncing any legal actions shall concomitantly be signed between the parties.

As soon as the transfer has arrived at the account, I shall proceed with signing all documents necessary for continuation of my inventions and for the best commercial exploitation by Shimano of said inventions, in particular strategies concerning the future of the bicycle.

Please understand that with the liquidation of EGS owing to the inconsequence of their General Director Christian Gauthier, I have lost everything and since I have no more to lose I am not susceptible to any menace.

You will certainly prefer a satisfactory arrangement over an unpleasant long lawsuit; moreover by no means would I give up in advance in view of the amount of documents which I have in my possession and which attest my good faith on the background of this matter in which my only sin was naivete concerning the necessary form of protection of my interests.

I am open for any serious dialogue and remain with best regards

Franck Savard
